

1 **UNITED STATES DISTRICT COURT**
2 **DISTRICT OF NEVADA**

3 Case No.: 3:25-cv-00038-MMD-CSD

4 JOEY A. GARCIA,
5 Plaintiff

Order

 Re: ECF Nos. 6, 8, 10

6 v.

7 JEREMY TAFELMEYER, et al.,
8 Defendants

9 Plaintiff filed a motion/inquiry regarding the court's order at ECF No. 6. (ECF No. 10.)
10 Unfortunately, the order mistakenly contains language from an order in another case, including
11 language concerning the issuance of a summons for a defendant in another matter. The order also
12 overlooked that Plaintiff's application to proceed *in forma pauperis* (IFP) is incomplete as it does
13 not contain the required financial certificate.

14 Plaintiff's motion for an inquiry (ECF No. 10) is **GRANTED**.

15 The Order at ECF No. 6 is **WITHDRAWN**.

16 The summons issued at ECF No. 8 is **WITHDRAWN** and the Clerk shall email a copy
17 of this Order to the U.S.M.S.

18 Plaintiff is an inmate in the custody of the Nevada Department of Corrections (NDOC),
19 housed at Northern Nevada Correctional Center (NNCC). Plaintiff's IFP application is
20 incomplete as it does not contain the required financial certificate. The Clerk shall **ISSUE** the
21 minute order directing NDOC Accounting to file the financial certificate for Plaintiff. Once the
22 financial certificate is filed, the court will address Plaintiff's IFP application and will issue a new
23

1 order screening his complaint, and will address service of the complaint for claims proceeding in
2 this action.

3 **IT IS SO ORDERED.**
